

NADA
network of alcohol and
other drugs agencies

Strategic plan

2019–2023

NADA proudly acknowledges Aboriginal and Torres Strait Islander people as the Traditional Custodians of the lands and waters throughout Australia. Our office stands on the land of the Gadigal people of the Eora Nation.

We recognise, respect and value the deep and continuing connection of Aboriginal and Torres Strait Islander people to land, water, community and culture.

We look to and celebrate Aboriginal and Torres Strait Islander people for their cultural guidance, leadership and expertise.

We pay our respects to Elders past, present and future.

About NADA

The Network of Alcohol and other Drugs Agencies (NADA) is the peak organisation for non government alcohol and other drugs services in NSW. Our decisions and actions are informed by the experiences, knowledge and concerns of its membership.

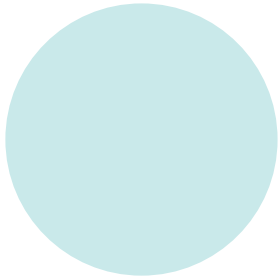

We represent 100 organisational members that provide a broad range of alcohol and other drugs services including health promotion and harm reduction, early intervention, treatment and continuing care programs. Our members are diverse in their structure, philosophy and approach to alcohol and other drugs service delivery.

We provide a range of programs and services that focus on sector and workforce development, data management, governance and management support, research and evaluation, sector representation and advocacy, as well as actively contributing to public health policy.

NADA strives to reduce the stigma and discrimination experienced by people who use alcohol and other drugs. We also work to ensure that services provided by the sector are informed by people with a lived experience.

Together, we improve the health and wellbeing of people who use, or have used, alcohol and other drugs across the NSW community.

NADA has award level accreditation under the Australian Services Excellence Standards (ASES), a quality framework certified by Quality Innovation and Performance (QIP).

Vision

Connected and sustainable non government alcohol and other drug services providing quality evidence based programs to reduce alcohol and drug related harms to NSW communities

The page features several decorative circles of varying sizes and shades of teal and light blue. A large teal circle is centered in the upper half, containing the 'Purpose' section. A large light blue circle is in the lower right, containing the 'Collaboration' section. Other smaller circles are scattered around the page.

Purpose

To advocate for,
strengthen and support
non government alcohol
and other drugs services

Collaboration

Collaboration is central
to NADA's operation

Inclusion

NADA values diversity and ensures our approach is equitable and accessible

Integrity

NADA operates with fairness and transparency to maintain an independent voice

Respect

NADA is respectful of the culture, views and experiences of the sector

Values

Strategic priorities

A large, stylized teal number '1' is centered within a white circle. The circle is set against a teal background.

**Advocate for sustainable
funding and program
governance**

Strategy Develop and promote an advocacy agenda informed by consultation, evidence and practice based research, as well as current political and public health policy and planning.

2

Promote the strengths of its members

Strategy Position the sector as providers of quality, innovative and evidence based treatment and harm reduction services.

Strategic priorities

A large, stylized teal number '3' is centered within a white circle. The circle is set against a teal background.

Build capacity

Strategy Build the capacity of the sector with an approach that is planned, responsive and informed by evidence and practice wisdom.

4

Develop the workforce

Strategy Support the workforce to enhance clinical and therapeutic skills, measure client outcomes, and promote a culture of workforce wellbeing.

Who we work with and for

NADA works first and foremost with its members—non government alcohol and other drugs service providers in NSW.

Acknowledging the specific input of the:

- NADA Practice Leadership Group
- Women's Clinical Care Network
- Youth AOD Services Network
- Community Mental Health Drug and Alcohol Research Network (CMHDARN)—in partnership with the MHCC
- Aboriginal Drug and Alcohol Residential Rehabilitation Network (ADARRN)
- Consumer Representative and Peer Worker Community of Practice
- Gender and Sexuality Diverse AOD Worker Network

Our key partners and stakeholders include:

- people with lived experience of alcohol and other drugs services
- alcohol and other drugs sector funding bodies, including NSW Ministry of Health, Family and Community Services, Corrective Services, Australian Government Department of Health, National Indigenous Australians Agency and the Department of Social Services
- Local health districts, pillars and speciality networks, including Justice Health, NSW Agency for Clinical Innovation, Health Education and Training Institute and the Bureau of Health Information
- Primary Health Networks
- Mental Health Commission of NSW
- non government peak and advisory bodies in NSW and nationally including other state and territory drug and alcohol peaks, Aboriginal Health and Medical Research Council of NSW (AHMRC), Mental Health Coordinating Council (MHCC), the Council of Social Services NSW (NCOSS), Hepatitis NSW, Just Reinvest NSW, NSW Users and AIDS Association (NUAA), Australian Alcohol and Drug Council and the Aboriginal Drug and Alcohol Network
- NADA members working with specific populations or providing broader sector services including ACON, Community Restorative Centre, Drug and Alcohol Multicultural Education Centre, Family Drug Support and Noffs Foundation
- non government and government organisations working across the human services spectrum, with a focus on mental health, criminal justice, housing, Aboriginal services, family, children and carers
- quality improvement service providers such as the Australian Council on Health Care Standards (ACHS) and Quality Innovation Performance (QIP)
- research bodies including the National Drug and Alcohol Research Centre (NDARC), the National Centre for Education and Training on Addiction (NCETA), the National Drug Research Institute (NDRI), the National Centre for Clinical Research on Emerging Drugs (NCCRED) and other researchers working in this area
- workforce and industry education, training and advisory bodies
- the media.
