**NETWORK OF ALCOHOL AND OTHER DRUGS AGENCIES INC****NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2022****Note 1 - Corporate information**

The financial report includes the financial statements and notes of the Network of Alcohol and Other Drugs Agencies Inc ('the Association'). The Network of Alcohol and Other Drugs Agencies Inc is incorporated in New South Wales under the *NSW Associations Incorporation Act 2009* and is registered as a charity under the *Australian Charities and Not-for-profits Commission Act 2012*. The Association is domiciled in Australia.

The Network of Alcohol and Other Drugs Agencies Inc is the peak organisation representing the interests of non-government alcohol and other drug intervention agencies in New South Wales. The Association provide a range of programs and services that focus on sector and workforce development, data management, governance and management support, research and evaluation, sector representation and advocacy.

The registered office and principal place of business of the Association is:

Suite C, Level 3  
140 William Street  
Woolloomooloo NSW 2011

The financial statements were approved by the Committee Members on 15 August 2022.

**Note 2 - Basis of preparation*****Statement of compliance***

These general purpose financial statements have been prepared in compliance with the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and *Australian Accounting Standards - Simplified Disclosures*. The Association is a not-for-profit entity for the purposes of preparing these financial statements.

Other than the change in disclosure requirements, the adoption of *AASB 1060: General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* has had no significant impact on the financial statements because the Association's previous financial statements complied with *Australian Accounting Standards - Reduced Disclosure Requirements*.

***Basis of measurement***

The financial statements have been prepared under historical cost convention, as modified by revaluations to fair value for certain classes of assets and liabilities as described in the accounting policies.

***Comparatives***

Where required by Accounting Standards comparative figures have been adjusted to conform to changes in presentation for the current financial year.

***New and revised standards that are effective for these financial statements***

Several amendments to Australian Accounting Standards and interpretations are mandatory for the 30 June 2022 reporting period. These include:

- *AASB 1060: General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* (effective for the year ending 30 June 2022)
- *AASB 2020-2: Amendments to Australian Accounting Standards – Removal of Special Purpose Financial Statements for Certain For-Profit Entities* (effective for the year ended 30 June 2022)

AASB 1060 and AASB 2020-2 act to mandate that the Association prepare a general purpose financial report under a new Simplified Disclosure Standard. The application of AASB 1060 and AASB 2020-2 have not had a material impact on the carrying values of the Association's asset, liability or equity balances; nor a material impact on the recognition and measurement of the Association's revenue or expenses.

**NETWORK OF ALCOHOL AND OTHER DRUGS AGENCIES INC****NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2022****Note 2 - Basis of preparation (continued)*****New standards and interpretations not yet adopted***

Certain new accounting standards, amendments and interpretations have been published that are not mandatory for 30 June 2022 reporting periods and have not been early adopted by the Association. These include:

- *AASB 2020-1: Amendments to AASs - Classification of Liabilities as Current or Non-current* (effective for the year ending 30 June 2024)
- *AASB 2021-2: Amendments to AASs – Disclosure of Accounting Policies and Definition of Accounting Estimates* (effective for the year ending 30 June 2024)

It is not expected that AASB 2020-1 or AASB 2021-2 will have a material impact on the Association in future reporting periods.

**Note 3 - Significant accounting policies**

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

***Income tax***

The Association is a not-for-profit Charity and is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

***Goods and services tax (GST)***

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

***Revenue recognition***

Amounts disclosed as revenue are net of returns, trade allowances and duties and taxes including goods and services tax (GST). Revenue is recognised for the major business activities as follows:

***Grants***

Grants received are recognised as revenue when the Association obtains control over the asset comprising the contributions. When the Association does not have control of the contribution or does not have the right to receive the contribution or has not fulfilled grant conditions, the grant contribution is treated as deferred income.

Deferred income is matched against expenditure in the year the expenditure is incurred and in accordance with funding body requirements when services are performed, or conditions fulfilled.

***Membership fees***

Revenue from membership fees is recognised on a basis that reflects the timing, nature and value of the benefits provided.

***Conference income***

Conference income is recognised in the period that the conference occurs.

***Interest and dividends***

Revenue from interest and dividends is recognised on an accrual's basis.

**NETWORK OF ALCOHOL AND OTHER DRUGS AGENCIES INC**

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2022**

**Note 3 - Significant accounting policies (continued)**

***Cash and cash equivalents***

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

***Trade receivables***

For all sources of recurrent income, trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for doubtful debts. Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off. A provision for impairment in relation to doubtful receivables is established when there is objective evidence that the Association will not be able to collect all amounts due according to the original terms of receivables.

***Property, plant and equipment***

**Recognition and measurement**

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the asset. Purchased software that is integral to the functionality of the related equipment is capitalised as part of that equipment.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the statement of profit or loss and other comprehensive income.

**Subsequent costs**

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Association and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the statement of profit or loss and other comprehensive income during the financial period in which they are incurred.

**Depreciation**

The depreciable amount of all property, plant and equipment is depreciated over the asset's useful life to the Association commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Furniture and fittings	10%
Office equipment	33.3% – 37.5%
Motor vehicles	18.75%

***Right-of-use assets***

At inception, a right-of-use asset and a lease liability is recognised. Right-of-use assets are included in the statement of financial position within a classification relevant to the underlying asset.

Right-of-use assets are initially measured at cost, comprising of the following:

- the amount of the initial measurement of the lease liability
- any lease payments made at or before the commencement date, less any lease incentives received
- any initial direct costs incurred
- an estimate of costs to be incurred in dismantling and removing the underlying asset, restoring the site on which it is located or restoring the underlying asset to the condition required by the terms and conditions of the lease, unless those costs are incurred either at the commencement date or as a consequence of having used the underlying asset during a particular period

**NETWORK OF ALCOHOL AND OTHER DRUGS AGENCIES INC****NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2022****Note 3 - Significant accounting policies (continued)*****Right-of-use assets (continued)***

Subsequently, right-of-use assets are measured using a cost model. The right-of-use asset is depreciated to the earlier of the useful life of the asset or the lease term using the straight-line method and is recognised in the statement of profit or loss and other comprehensive income in "Depreciation and amortisation".

The Association tests for impairment where there is an indication that a right-of-use asset may be impaired. An assessment of whether there is an indication of possible impairment is done at each reporting date. Where the carrying amount of a right of use asset is greater than the estimated recoverable amount, it is written down immediately to its recoverable amount. The resulting impairment loss is recognised immediately in surplus or deficit, except where the decrease reverses a previously recognised revaluation increase for the same asset.

The resulting decrease is recognised in other comprehensive income to that extent and reduces the amount accumulated in equity under revaluation surplus, and future depreciation charges are adjusted in future periods to allocate the revised carrying amount, less its residual value, on a systematic basis over its remaining useful life.

***Leases***

The Association leases business premises and motor vehicles on an arm's length basis from a third-party lessor. A lease is a contract, or part of a contract, that conveys the right to use an asset for a period of time in exchange for consideration.

At inception of a contract, it is assessed to determine whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. If the terms and conditions of a contract are changed, it is reassessed to once again determine if the contract is still, or now contains, a lease.

The term of a lease is determined as the non-cancellable period of the lease, together with the periods covered by an option to extend the lease where there is reasonable certainty that the option will be exercised, and periods covered by an option to terminate the lease if there is reasonable certainty that the option will not be exercised.

The assessment of the reasonable certainty of the exercising of options to extend the lease, or not exercising of options to terminate the lease, is reassessed upon the occurrence of either a significant event or a significant change in circumstances that is within the Association's control, and it affects the reasonable certainty assumptions. The assessment of the lease term is revised if there is a change in the non-cancellable lease period.

The Association does not recognise leases that have a lease term of 12 months or less or are of low value as a right-of-use asset or lease liability. The lease payments associated with these leases are recognised as an expense in the statement of profit or loss and other comprehensive income on a straight-line basis over the lease term.

***Lease liability***

At the commencement date of the lease, the lease liability is initially recognised for the present value of non-cancellable lease payments discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Association's incremental borrowing rate.

The tenor of a lease includes any renewal period where the lessee is reasonably certain that they will exercise the option to renew. The Association has reviewed all its leases and included any extensions where the Association assessed it is reasonably certain the lease agreement will be renewed.

**NETWORK OF ALCOHOL AND OTHER DRUGS AGENCIES INC****NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2022****Note 3 - Significant accounting policies (continued)*****Lease liability (continued)***

The lease payment used in the calculation of the lease liabilities should include variable payments when they relate to an index or rate. Where leases contain variable lease, payments based on an index or rate at a future point in time, the Association has used the incremental uplift contained in the lease or the respective Reserve Bank forward-looking CPI target for CPI-related increases.

In the absence of any floor or cap clauses in the lease agreements, the Association measures the rent for the year under market review at an amount equal to the rent of the year preceding the market review increased by a fixed rate.

The lease liability is initially measured at the present value of the lease payments that are not yet paid at the commencement date. Lease payments are discounted using the relevant Association's incremental borrowing rate. The incremental borrowing rate used for this calculation is dictated by the tenor of the lease and the location of the asset. The incremental borrowing rate is the rate the Association would be charged on borrowings, provided by our banking partners. The weighted average incremental borrowing rate is 8.85%. The following lease payments being fixed payments, less any lease incentives receivable are included where they are not paid at the commencement date.

Subsequently, the lease liability is measured by:

- increasing the carrying amount to reflect interest on the lease liability
- reducing the carrying amount to reflect the lease payments made
- remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments

The unwind of the financial charge on the lease liabilities is recognised in the statement of profit or loss and other comprehensive income in "Finance costs" based on the Association's incremental borrowing rate.

***Impairment of assets***

Assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment. Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash generating units).

Impairment losses are reversed when there is an indication that the impairment loss may no longer exist and there has been a change in the estimate used to determine the recoverable amount.

***Trade and other payables***

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Association during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability. The carrying amount of trade and other payables is deemed to reflect fair value.

***Income received in advance***

Income, other than government contract income, that is received before the service to which the payment relates has been provided is recorded as a liability until such time as the service has been provided, at which time it is recognised in the statement of profit or loss and other comprehensive income.

**NETWORK OF ALCOHOL AND OTHER DRUGS AGENCIES INC****NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2022****Note 3 - Significant accounting policies (continued)*****Employee benefits***

Provision is made for the Association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may not satisfy vesting requirements. Those cash outflows are discounted using market yields on high quality corporate bonds with terms to maturity that match the expected timing of cash flows.

**FOR THE YEAR ENDED 30 JUNE 2022****Note 17 - Events occurring after balance date**

Subsequent to the end of the financial year, there remains a degree of uncertainty in relation to future economic and other impacts of the COVID-19 pandemic.

At the date of signing the financial statements the Committee Members are unable to determine what financial effects the outbreak of the virus could have on the Association in the coming financial period.

The Committee Members acknowledge their responsibility to continuously monitor the situation and evaluate this impact including the ability to pay the debts as and when they become due and payable.

There were no other significant events occurring after balance date.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF**  
**NETWORK OF ALCOHOL AND OTHER DRUGS AGENCIES INC**

***Opinion***

We have audited the financial report of the Network of Alcohol and Other Drugs Agencies Inc which comprises the statement of financial position as at 30 June 2022, the statement of profit or loss and other comprehensive income, the statement of changes in funds and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the Committee Members' Declaration.

In our opinion, the accompanying financial report of the Network of Alcohol and Other Drugs Agencies Inc is in accordance with the *NSW Associations Incorporation Act 2009* and the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- a) giving a true and fair view of the Association's financial position as at 30 June 2022 and of its financial performance for the year then ended, and
- b) complying with *Australian Accounting Standards - Simplified Disclosures* and the *Australian Charities and Not-for-profits Commission Regulation 2013*.

***Basis for Opinion***

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibility for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the auditor independence requirements of the *NSW Associations Incorporation Act 2009*, *Australian Charities and Not-for-profits Commission Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *NSW Associations Incorporation Act 2009* and *Australian Charities and Not-for-profits Commission Act 2012*, which has been given to the responsible persons of the Association, would be in the same terms if given to the responsible persons as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

***Committee Members' Responsibility for the Financial Report***

The Committee Members of the Association are responsible for the preparation of the financial report that gives a true and fair view in accordance with *Australian Accounting Standards - Simplified Disclosures* and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the Committee Members determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee Members are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee Members either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

The Committee Members are responsible for overseeing the Association's financial reporting process.

***Auditor's Responsibilities for the Audit of the Financial Report***

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at *The Auditing and Assurance Standards Board* and the website address is <http://www.auasb.gov.au/Home.aspx>

We communicate with the Committee Members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

***Report on Other Legal and Regulatory Requirements***

In addition, our audit report has also been prepared for the members of the Association in accordance with section 24(2) of the *Charitable Fundraising Act 1991*. Accordingly, we have performed additional work beyond that which is performed in our capacity as auditors pursuant to the *NSW Associations Incorporation Act 2009* and the *Australian Charities and Not-for-profits Commission Act 2012*. These additional procedures included obtaining an understanding of the internal control structure for fundraising appeal activities and examination, on a test basis, of evidence supporting compliance with the accounting and associated record keeping requirements for fundraising appeal activities pursuant to the *Charitable Fundraising Act 1991* and Regulations.

It should be noted that the accounting records and data relied upon for reporting on fundraising appeal activities are not continuously audited and do not necessarily reflect after the event accounting adjustments and the normal year-end financial adjustments for such matters as accruals, prepayments, provisioning and valuations necessary for year-end financial report preparation.

The performance of our statutory audit included a review of internal controls for the purpose of determining the appropriate audit procedures to enable an opinion to be expressed on the financial report. This review is not a comprehensive review of all those systems or of the system taken as a whole and is not designed to uncover all weaknesses in those systems.

The audit opinion expressed in this report pursuant to the *Charitable Fundraising Act 1991* has been formed on the above basis.

***Auditor's opinion***

Pursuant to the requirements of Section 24(2) of the *Charitable Fundraising Act 1991* we report that:

- a) the financial report gives a true and fair view of the financial result of fundraising appeal activities for the financial year ended 30 June 2022; and
- b) the financial report has been properly drawn up, and the associated records have been properly kept for the period 1 July 2021 to 30 June 2022, in accordance with the *Charitable Fundraising Act 1991* and Regulations; and
- c) money received as a result of fundraising appeal activities conducted during the period 1 July 2021 to 30 June 2022 has been properly accounted for and applied in accordance with the *Charitable Fundraising Act 1991* and Regulations; and
- d) at the date of this report there are reasonable grounds to believe that Association will be able to pay its debts as and when they become due and payable.
